Workshop on Wellness (WOW!)

*Discover the treasure of wellness in your hands and feet –
Ancient Indian Science and Technology for modern age*

Points on the Left Hand Points on the Right Hand

Presentation and Demonstration By Prof. Ravindran Kannan
Venue: D/FW Hindu Temple - Sanskar Bhavan
Sunday, June 12th 2016 10:00 AM - 5:00 PM

Prof. Ravindran Kannanis is a professor in World Community Service Center (WCSC). He has been serving the organization since 2000 working directly with the founder and his spiritual master, Shri Vethathiri Maharishi. Prof. Ravindran has an M.D. in Reflexology/Acupressure and has been practicing the same and Natural Therapy since 1995. He trained under the able guidance of world renowned Dr. Devendra Vora, M.D. a master in Reflexology/Acupressure and Natural Therapy and author of the best seller, "Health In Your Hands". He has been recently appointed as Karnataka Advisor of Indian National Advisory Council of World Institute For Scientific Exploration, Baltimore, MD (WISE) which is an activist scientific organization, leading and pushing the boundaries of research and innovative, pioneering development of extraordinary services, technologies, and products worldwide to help solve the major problems of humanity. To spread the message of wellness and create awareness among the masses about Reflexology, Yoga and Natural Therapies, he founded a nonprofit organization called, "YANTRA – Yoga, Acupressure, Natural Therapy Research Foundation".

Come and experience:

- This ancient knowledge and wisdom as taught by Dr. Devendra Vora
- How your thumb is used as a MRI machine;
- How some ailments like frozen shoulder, neck pain, back pain etc. can be healed using reflex therapy;
- You can discover the treasure of health in your hands and feet;

It is a 'DO IT YOURSELF' no cost/low cost therapy with no medicines, no side effects and 100% safe.
